ADDITIONAL CLAUSES

Said to contain

This Waybill is governed by the Terms and Conditions available on the CNC website (www.cnc-ligne.com) which the Merchant has read and accepted. The carrier is entitled to deliver the cargo to the Consignee, after payment of any outstanding Freight, on provision of proper proof of identity without the need to produce or surrender a copy of this Sea Waybill.

Shippers slow, load and count

Demurrage and detention payable by the Merchant as per the Carrier's tariff available on the web site www.cnc-line.com, or in any of his agency. However if special free time conditions are granted, then rates applicable as per general tariff grid shall start from the day following the last free day.

For the purpose of the present carriage, clause 14(2) shall exclude the application of the York/Antwerp rules, 2004

The shipper acknowledges that the Carrier is authorized to carry the goods identified in this bill of lading on the deck of any vessel and in taking remittance of this bill of lading the Merchant (including the shipper, the consignee and the holder of the bill of lading, as the case may be) confirms his express

acceptance of all the terms and conditions of this bill of lading and expressly confirms his unconditional and irrevocable consent to the carriage of the goods on the deck of any vessel

Mis-declaration of cargo weight endangers crew, port workers and vessels' safety. Your cargo may be weighed at any place and time of carriage and any mis-declaration will expose you to claims for all losses, expenses or damages whatsoever resulting thereof and be subject to freight surcharge

Following the exceptional measures adopted by various governments in relation with the outbreak of COVID-19 virus and the operational constraints resulting thereof, the Merchants are hereby notified that the carriage of cargo may be disrupted or delayed. Cargo may not be loaded on the intended vessel and may be forwarded on behalf of the port of destination on any alternative vessel at Carrier's sole discretion. Furthermore in case of disruption of ports' operations, the cargo may be discharged in an alternative port without notice and - subject to availability - be forwarded to the original intended port of destination. Carrier reserves its rights to accomplish the bill of lading in any alternative port. All additional costs, including but not limited to storage, demurrage, plugging, monitoring, at the alternative discharge port or extra on forwarding costs, shall be on Merchant's account and payable before delivery and the carrier shall have no liability whatsoever for any loss or damage resulting thereof

RECEIVED by the Carrier from the Shipper in apparent good order and condition (unless otherwise noted herein) the total number or quantity of containers or other packages or units indicated above by the Merchant for carriage, subject to all the terms and conditions of carriage, place of receipt of the cargo, and, whenever applicable, to the port of discharge or place of delivery whatever applicable. This Waybill is deemed to be a contract of carriage as defined in Article I (b) of the Hague Rules and Hague Rules, although this is not a document of title to the Goods. DELIVERY will only be made on payment of all Freight and Charges and to the named Consignee or any third party nominated by the Consignee by written instruction to the Carrier or his Agent, unless the Shipper instructs otherwise prior to delivery. The rights and liabilities arising according to the terms hereof shall (without prejudice to any rule of common law and status) become binding between the Carrier and Consignee as if this agreement has been made between them a/c to the Shipper guarantees on exception of the Waybill that he has accepted it on his own behalf, on behalf of the Consignee and the Owner of the Goods, and warrants that he has authority to do so

LAW AND JURISDICTION: i) Governing Law: Insofar as anything has not been dealt with by the terms and conditions of this Bill of Lading, Singapore law shall apply. Singapore law shall in any event apply in interpreting the terms and conditions hereof.

ii) Jurisdiction: All disputes relating to this Bill of Lading shall be determined by the Courts of Singapore to the exclusion of the jurisdiction of the courts of any other country provided always that the Carrier may in its absolute and sole discretion invoke or voluntarily submit to the jurisdiction of the Courts of any other country which, but for the terms of this Bill of Lading, could properly assume jurisdiction to hear and determine such disputes, but shall not constitute a waiver of the terms of this provision in any other instance.

iii) Notwithstanding i) and ii), if Carriage includes Carriage to, from or through a port in the United States of America, the Merchant may refer any claim or dispute to the United States District Court for the Southern District of New York in accordance with the laws of the United States of America.

This Waybill is issued subject to the C.M.I Uniform Rules for Sea Waybills. The contract evidenced by this Sea Waybill is subject to the terms, conditions, exceptions, limitations and liberties (including those relating to pre-carriage and on-carriage) set out in and incorporated by the Carrier's Bill of Lading. The terms of the Carrier's Applicable Tariff are incorporated herein.

ADDITIONAL CLAUSES

Said to contain

This Waybill is governed by the Terms and Conditions available on the CNC website (www.cnc-line.com) which the Merchant has read and accepted. The carrier is entitled to deliver the cargo to the Consignee, after payment of any outstanding Freight, on provision of proper proof of identity without the need to produce or surrender a copy of this Sea Waybill.

Shippers stow, load and count

Demurrage and detention payable by the Merchant as per the Carrier's tariff available on the web site www.cnc-line.com, or in any of his agency. However if special free time conditions are granted, then rates applicable as per general tariff grid shall start from the day following the last free day.

For the purpose of the present carriage, clause 14(2) shall exclude the application of the York/Antwerp rules, 2004

The shipper acknowledges that the Carrier is authorized to carry the goods identified in this bill of lading on the deck of any vessel and in taking remittance of this bill of lading the Merchant (including the shipper, the consignee and the holder of the bill of lading, as the case may be) confirms his express

acceptance of all the terms and conditions of this bill of lading and expressly confirms his unconditional and irrevocable consent to the carriage of the goods on the deck of any vessel

Mis-declaration of cargo weight endangers crew, port workers and vessels' safety. Your cargo may be weighed at any place and time of carriage and any mis-declaration will expose you to claims for all losses, expenses or damages whatsoever resulting thereof and be subject to freight surcharge

Following the exceptional measures adopted by various governments in relation with the outbreak of COVID-19 virus and the operational constraints resulting thereof, the Merchants are hereby notified that the carriage of cargo may be disrupted or delayed. Cargo may not be loaded on the intended vessel and may be forwarded to the port of destination on an alternative vessel at Carrier's sole discretion. Furthermore in case of disruption of ports' operations, the cargo may be discharged in an alternative port without notice and - subject to availability - be forwarded to the original intended port of destination. Carrier reserves its rights to accomplish the bill of lading in any alternative port. All additional costs, including but not limited to storage, demurrage, plugging, monitoring, at the alternative discharge port or extra on forwarding costs, shall be on Merchant's account and payable before delivery and the carrier shall have no liability whatsoever for any loss or damage resulting thereof

RECEIVED by the Carrier from the Shipper in apparent good order and condition (unless otherwise noted herein) the total number or quantity of containers or other packages or units indicated above by the Merchant for carriage, subject to all the terms and conditions of the relevant Trade Code, the port of loading or the port of delivery, whichever applicable, to the port of discharge or place of delivery wherever applicable. This Waybill is deemed to be a contract of carriage as defined in Article I (b) of the Hague Rules and Hamburg Rules although this is not a document of title of the Goods.

DELIVERY will only be made on Payment of all Freight and Charges and to the named Consignee or any third party nominated by the Consignee by written instruction to the Carrier or his Agent, unless the Shipper instructs otherwise prior to delivery. The rights and liabilities arising according to the terms hereof shall (without prejudice to any rule of common law and status) become binding between the Carrier and Consignee as if this agreement has been made between them and the Shipper guarantees on reception of this Waybill that he has accepted it on his own behalf, on behalf of the Consignee and the Owner of the Goods, and warrants that he has authority to do so.

LAW & JURISDICTION

i) Governing Law: If anything has not been dealt with by the terms and conditions of this Bill of Lading, Singapore law shall in any event apply in interpreting the terms and conditions hereof.

ii) Jurisdiction: All disputes relating to this Bill of Lading shall be determined by the Courts of Singapore to the exclusion of the courts of any other country provided always that the Carrier may in its absolute and sole discretion invoke or submit the dispute to the jurisdiction of the Courts of any other country which, but for the terms of this Bill of Lading, could properly assume jurisdiction to hear and determine such disputes, but shall not constitute a waiver of the terms of this provision in any other instance.

iii) Notwithstanding i) and ii), if Carriage includes Cartage to, from or through a port in the United States of America, the Merchant may refer any claim or dispute to the United States District Court for the Southern District of New York in accordance with the laws of the United States of America.

This Waybill is issued subject to the C.M.I Uniform Rules for Sea Waybills.

The contract evidenced by this Sea Waybill is subject to the terms, conditions, exceptions, limitations and liberties (including those relating to pre-carriage and on-carriage) set out in and incorporated by the Carrier's Bill of Lading. The terms of the Carrier's Applicable Tariff are incorporated herein.
